Overview

Creating Demand and Increase knowledge on and access to Treatment Literacy in Liberia

- Limited access to treatment **information** and **services**
- Strengthen the capacity of Persons , Individuals and Community Living with HIV and AIDS in Liberia
- Advocate for **inclusive** and **policy** on PLHIV in the revision and treatment guideline in Liberia
- Advocate for DTG and TLD at the country Level
- Advocate for 90 90 90 and treatment Optimization

Key Interventions

- Holding one on one conversation with PLHIV concerning their up take and interest
- Strengthened the capacity of Individuals, Persons, Communities , Health Workers, Family Members and on HIV and AIDS Care Delivery Services
- Advocated for inclusive PLHIV participation and National HIV and AIDS -responsive services- ongoing.

Consultation Result

- PLHIV and Key Stakeholder Consultation
- Up Coming Revision of Treatment Guideline To push for DTG and TLD Inclusion
- MOH,NAC,NACP, CHI , WHO , UNAIDS, GF, PLHIV and PepfAr Conversation ongoing treatment Literacy and optimization
- Growing interest from the public and PLHIV on Treatment Literacy

Results

- **Technical Working Group HIV and AIDS** established to review, update and finalize treatment Guideline by MOH and WHO (NAC, NACP, GF and Key Stake Holders on going

Challenges

- Stock out, Lack of Viral Load Testing , High Number of lost to follow up, Increase HIV and AIDS related Deaths,
- Gaps in treatment Access 45 thousands living with HIV only 7 Thousands currently on treatment
- Conflict of Interest by outsiders in activity schedule with individual members' work-related commitments.
- Global Fund for AIDS TB and Malaria (GF)
- Only Source of Support for Treatment currently in Liberia

.

Way Forward

- *Advocate with relevant Stakeholders/Partners to procure MVA Equipment.*
- *Advocate for timely requisition and supply of FP commodities.*
- *Agree on a flexible working arrangement among team members.*
- *Continuous engagement with partners/stakeholders on possibilities of funding and community participation*
